THE UNITING CHURCH IN AUSTRALIA

TO WHOM IT MAY CONCERN

I advise that Peter Robertson, formally of New England Stained Glass and Leadlight, has been involved in the manufacture and restoration of stained and leadlight glass windows for the Armidale Uniting Church buildings (which are Heritage Classified) over the past number of years.

During the time of my involvement with the restoration of these Heritage buildings which are owned by the Church, I have been very satisfied with the service and expertise demonstrated by Peter, and have no hesitation in recommending him to other persons or organisations requiring quality stained and leadlight glass work.

A handwritten signature in black ink, appearing to read 'S N Butt', is written over a light pink rectangular background.
